### ....Ordering Information Getting Started

To begin your "JDR MODEL" journey you will need to submit a \$500.00 deposit. (cash or check only). I will use \$400.00 of your deposit to purchase the wood and materials for your guitar. Therefore, \$400.00 of your deposit is non-refundable.

If you pay by check, I will begin the building process as soon as your check clears.

### Get Involved in the Process

I want to make your "JDR model" experience an enjoyable one, so I encourage you to get involved in the building process-this is your guitar. Feel free to stop by the shop to check out the process of your guitar. You can ask me

questions, evaluate the look and feel of the guitar, make suggestions, and dictate any changes that you want to make.

This feedback helps me to better serve your needs. If you want to make any changes or "upgrades" , I may have to make a pricing adjustment. During the building process, if I need to make any price adjustments( due to availability of materials etc.), I will notify you.
